EBT Card to Culture

Access the power of culture with your EBT Card

Guidelines

Participating Organizations:

To be a part of this program, organizations will voluntarily offer free or steeply discounted admission to any bearer of a Massachusetts-issued Electronic Benefit Transfer (EBT) card.

Eligible discounts are:

- For regular admission, during all normal operating hours, or for every regular season performance, to be used at any time.
- Available to the adult individual or family holding the EBT card.
- Offered through the regular admissions process, or redeemable in the same manner that other discounts at the organization are.

Organizations decide on the extent of the discount for themselves – the admission price, if any, and the number of people that the discount extends to per card. Special performances or exhibits may be exempt from the discount – if there is an extra fee or upcharge, organizations are not obligated to offer a discounted rate. Organizations may limit the number of spots available to EBT cardholders, if there is limited capacity for a class or performance.

Organizations must also:

- Consent to having their discount and visitation information on the Department of Transitional Assistance's website, and in their printed materials.
- Offer the discount until at least **June 30, 2018**, as listed on the DTA's site.
- Train box office or admissions staff ahead of implementing the EBT Card to Culture discount to make the transaction and entry process as smooth as possible.

- In order to ensure core concepts are incorporated into your staff training, someone at the organization must [view this “train the trainer” webinar](#).
- Collect usage and attendance information, and report on it by **July 15, 2018**.
 - The number of times the discount was used, as well as how many adults and how many children attended with the discount.

Examples of eligible discounts:

- \$2 per adult with EBT or WIC card, visitors under 18 are always free.
- One class per family for \$10 each semester, pending sufficient enrollment.
- All programs 75% off listed price, two people per EBT card.
- Automatic qualification for financial aid, tuition will vary.
- Tickets \$1 per person, up to 6 people. Cannot be combined or used for special events.
- Admission FREE for 2 adults and 2 children.
- 30 tickets put aside per performance: \$5 each, 2 per card. Subject to availability – tickets will be released if the show sells out.
